Summery:-

I am a dedicated Front-End Developer with a 2024 degree in Business Information Systems from Tanta University. I have also gained valuable experience through training in the Digital Egypt Pioneers Initiative. Skilled in HTML, CSS, JavaScript, React, and Bootstrap, I specialize in creating responsive and user-friendly web applications, where I developed my technical and problem-solving skills. Additionally, I have collaborated with UX/UI designers and back-end developers, and I aim to contribute to innovative projects and deliver exceptional digital experiences.
