## **Summery:-**

I am a dedicated Front-End Developer, recently graduated from Tanta University in 2024 with a degree in Business information system . Proficient in HTML, CSS, JavaScript, React, and Bootstrap, I excel at creating responsive, user-friendly web applications. My background includes strong problem-solving and collaboration skills, developed through team projects with UX/UI designers and back-end developers. I aim to leverage my technical skills to contribute to innovative projects and create exceptional digital experiences.
